Southeast Louisiana Home Health

Our Orthopaedic Recovery & Rehabilitation Management at Home Program

takes on a multidisciplinary team approach to provide the best possible care for the individual patient's needs resulting in successful outcomes. Our professional staff of nurses, physical therapists, occupational therapists and home health aides will work closely with the patient's physician to ensure the care being provided will allow the patient to manage their day-to-day activities and maintain a safe, independent lifestyle.

Who is eligible?

Anyone scheduled to have one of the following surgical procedures, but not limited:

- Total hip replacement
- Total knee replacement
- Total shoulder replacement
- Amputation
- Traumatic or stress fractures
- Hemi, uni or partial hip replacement
- Partial knee replacement
- Hip resurfacing procedure
